

Quick guide for the App mbeon

1. App Download at:

2. Start registration

Open the App. Enter a username in the upper box.

Attention! Your username should not contain blank spaces, special characters or vowel mutation (ä/ü/ö).

Also make sure that there are no blank spaces after the username and/or the email address. This can happen easily if you fill in the boxes automatically.

Enter your email address in the lower box.

Accept the terms of use and click on "Weiter". After that you will receive a link via email to complete the registration process.

3. Complete registration

Open your email account. Please also check your spam folder.

Click on the link in the email. You will be redirected to a website. On the website click on blue button that says "jetzt aktivieren". Please only close the website once the registration is completed. This can take a few minutes.

In case of a successful registration it will show "Registrierung erfolgreich" on the website.

If you haven't received an email with a link please contact support@mbeon.org
